They try to help as soon as they can. It is really frustrating for you and us that ours seem to go wrong a lot.</p> <p><b>Getting work back more quickly and feedback</b> College policy is a 10 day turnaround but we are allowed a bit more time as we have high marking loads. You should get work back within a month. We will try to make sure our feedback tells you how to improve grades.</p> <p><b>Trips</b> Yes, we agree it would be really nice to get out more – just need to sort out where, when, how to get there with large numbers and who pays?! We are looking at developing this in the Summer 2014.</p>
