

BTEC Certificate Applied Law

Summer Independent Learning – Introductory
Assignment

Introduction

- Within the Certificate Applied Law course student must complete 3 units of work over a year.
- The summer introductory assignment will focus on unit 1 dispute solving in the legal system

What criteria are we looking at

- For the summer assessment there are three tasks you need to complete
- This work will contribute towards 3 pass tasks (P1, P2 and P3). For a pass criteria students must explain and describe what is being asked

P1 Explain the use of the courts in the civil and criminal court hierarchies

P2 Explain the role of lay people and lawyers in Criminal Cases

P3 Explain the role of judges and lawyers in Civil Cases

Task 1 (P1)

- Task 1 – Using the internet and the links below research the following criminal courts. Find out who is in these courts and what do they do

- European Court of Justice
 - Supreme Court
